Genesis:

Jagadguru Dr Sri Shivarathri Rajendra Mahaswamiji, the 23rd pontiff of Sri Suttur Veerasimhasana Math, Suttur, was the architect and founder of JSS Mahavidyapeetha, which came into being in 1954. JSS Mahavidyapeetha is presently running more than 300 institutions, from primary education to postgraduate and research programmes, in the fields of Medical Sciences, Engineering & Technology, Arts & Science, Law, Management, etc., There are about 50,000 students enrolled in the various institutions of the Vidyapeetha with more than 10,000 employees. The Vidyapeetha can easily be described as one of the largest education providers as well as employers in the region.

To further strengthen its educational efforts, JSS Mahavidyapeetha approached the Government of India to provide the Deemed to be University status to some of its pioneering educational Institutions. The Ministry of Human Resource Development, Government of India has declared Jagadguru Sri Shivarathreeshwara University (JSSU), Mysore, Karnataka, comprising of

- 1. JSS Medical College, Mysore**
- 2. JSS Dental College, Mysore**
- 3. JSS College of Pharmacy, Mysore and**
- 4. JSS College of Pharmacy, Ooty**

as Deemed to be University under Section 3 of UGC Act 1956.

JSS University now envisages to carry forward this mission and vision of JSS Mahavidyapeetha by providing quality education.

JSS University Mission and Vision Statements:

JSS University intends to emerge as one of the nation's pre-eminent comprehensive universities in the 21st Century. The University will be widely recognized for the quality of its undergraduate, graduate and professional educational programmes, the effectiveness of its research and outreach programmes and the broad access to the University provided through the innovative use of information technology. The University will ensure the quality of its programmes through the careful focusing of its resources in areas of institutional strengths.

Vision:

JSS University will develop and advance the talents of students to create applicable knowledge in science, technology and other areas in order to support social and economic advancement.

Mission:

As a comprehensive University, JSS University is committed to offer high quality undergraduate, postgraduate and professional education to its students.

- The University will give highest priority to resource allocation for the future development of those areas that represent the traditional strengths, quality, reputation and uniqueness of the institution and that continue to effectively respond to the needs of students and other constituents.
- Consistent with this commitment, the University will emphasize a broad and superior undergraduate education that imparts the knowledge, skills, and values so essential to educated and responsible citizens. At the same time, the University will provide high-quality graduate and professional programs in areas of need and importance to the State and beyond.
- To accomplish these educational goals, JSS University will continue to compete nationally to attract faculty distinguished by its commitment to teaching and by

its achievements in research, both pure and applied. The University will strive to attract the faculty that will bring distinction and stature to the undergraduate, graduate, and professional programs offered by the University.

- Because research is essential to the mission of the University, JSS University will continue development of its research programs. The primary focus of this research will be directed to the solution of problems and the development of knowledge and technology important to the State and Nation and to the quality of life of Indian citizens. The University's research programs will make important contributions to instructional programs through the involvement of graduate and undergraduate students and the renewal of the faculty.
- Research will also provide the knowledge base for outreach programs. In carrying out its research mission, the University will emphasize established areas of strength and will focus available resources in those areas of research and doctoral study that are, or have the potential to develop into nationally and internationally recognized centres of excellence.
- The University will maintain the strengths of its traditional outreach programs and will increasingly involve in outreach programs that respond to the changing needs of the society in which we live. The University will continue to seek new and innovative ways to reach out to the people it serves.

The University will contribute to a sustainable future by making use of the latest e-learning pedagogy and technology.

JSS Medical Institutions:

The JSS medical institutions were founded on the premise that physicians, dentists, pharmacists, nurses, and other Health care professionals trained at these institutions could provide the highest quality of patient care, while at the same time pursuing research and continuing to educate future health care professionals. Over the last three decades, the JSS Medical Institutions were successful in meeting the goals of these principles.

The JSS Medical Institutions aim to educate students to be excellent health science professionals and leaders in their field who respect the uniqueness of their patients/clients, who demonstrate competence, leadership, expertise, and a profound moral/ethical respect for their patients/clients, professional colleagues, and the general public. These institutions are committed to providing life-long professional development, advanced research, community service and fostering global integration of healthcare. These institutions also continuously put their effort in seeking innovations in science, education and health care delivery. The reputation of the JSS medical institutions has become very strong not just regionally but throughout India and also abroad.

In the year 2004, the golden Jubilee year of the establishment of JSS Mahavidyapeetha it was recognized that we needed to have clear definable objectives for our academic enterprise. We needed to know where we are going, what our specific objectives are, and what the milestones are that need to be achieved along the journey. It became evident that it was necessary to establish specific responsibilities with defined accountability.

To realize this vision, we have developed the following academic goals:

- To foster clinical excellence and patient satisfaction.
- To support innovative patient care, education, and research.
- To increase the quality of education and research at JSS.
- To conduct high quality education and research programs in a fiscally responsible manner.
- To continue to monitor the financial impact of the academic programs on the institution.
- To establish and maintain a system of objective performance measurements for the education and research programs by which improvements in patient care, education, and research can be continually evaluated.
- To represent an acceptable financial investment relative to the benefits that accrue to JSS and the community, recognizing that investments in academic excellence do not always generate short-term return.
- To support and complement the development of an integrated delivery system to improve the health of the people in its region.

- To foster accountability for academic performance at the department, division, and institution levels.
- To enable physicians and other health care professionals to attract referrals as a result of the quality of patient care, reputation for academic excellence and clinical expertise, association with other health care academicians , and strong alumni relations.
- To demonstrate the benefits of patient care provided in an academic setting.
- To foster an interdisciplinary and Holistic approach to patient care.

- The candidate should remain physically present for the counseling and for on-the-spot-admission, as per schedule, even if he / she fails to receive any information letter, for any reason from the University by keeping updated with the information provided on the University website.
- Only the candidate and one of his parents / guardian will be allowed into the hall where counseling is held. The candidates will be called in the order of their ranking in the merit list and offered the seats to the various courses available at that point of time. The candidate will be allowed to choose admission to any of the courses in which a seat is available when his / her turn comes.
- His / her admission to a particular course will depend upon the availability of seats for that particular course at the time of counseling.
- At the time of reporting for the counseling, the candidate is required to produce the documents **(original and three sets of photocopies)** mentioned in **Annexure - V.** If the candidate is admitted to any of the courses, these documents will be retained by the University till he / she completes the course. If the candidate fails to produce all or any of the documents listed, he / she will instantaneously forfeit his / her claim for a seat.

- The candidates in the merit list prepared by JSS University, Mysore, on the basis of marks and rank obtained by them in **COMED K PGET – 2014**, will be called as per their ranks for counseling and offered on-the-spot admission to the various courses and colleges.
- If a candidate wants to take back his/her original certificates after he/she is allotted a seat in the counseling, he/she may do so after submitting an undertaking stating that he/she will resubmit the same on said date by the counselling committee, failing which his/her allotted seat will be cancelled and the resulting vacancy will be declared for allotment in the next round of counseling.
- The selected candidate will be required to pay the entire amount of annual fee on the day of counseling itself. (Through Bank Draft drawn in the name of for **Medical** - "The Principal, JSS Medical College, Mysore", payable at Mysore , for **Dental** - "The Principal, JSS Dental College, Mysore", Payable at Mysore. In case the candidate fails to remit the entire amount of fees, he/she is likely to lose his/her claim for admission to that seat.
- Hostel facility is available both for boys and girls. The candidates desirous of seeking admission to hostels will have to apply in prescribed form. The hostel fees shall be charged separately.
- **Refund of Fees:** As per University rules. (see refund of fees policy on website)
- **NOTE:** Once admission is confirmed, original documents submitted to the University will not be returned back to the candidate under any circumstances.
- Differences of opinion and disputes arising in the interpretation and implementation of the clauses in the brochure, if any, will be referred to the Vice-Chancellor, JSS University, Mysore, and his decision shall be final and binding on all concerned.

WAIT LIST

- When all the seats in a given course/s are filled, candidates may choose to be waitlisted. There is no ranking in the waitlist.
- Candidates, who opt only to be waitlisted, need not pay any fee until they receive the selection intimation from the university that they have been selected for admission from the waiting list as a consequence of withdrawal or cancellation of admission of any originally admitted candidate.

BAN ON RAGGING:

- Ragging is a criminal offence as per Karnataka Educational Act 1983 and Hon'ble Supreme Court of India. JSS University ensures strict compliance on the prevention of Ragging in any form.

Definition:

- "Ragging" means causing, inducing, compelling or forcing a student, whether by way of a practical joke or otherwise, to do any act which detracts from human dignity or violates his person or exposes him to ridicule or to forbear from doing any lawful act, by intimidating, wrongfully restraining, wrongfully confining or injuring him or by using criminal force to him or by holding out to him any threat of such intimidation, wrongful restraint, wrongful confinement, injury or the use of criminal force. Supreme Court of India has defined ragging as a criminal offence.

Penalty for Ragging:

- No person who is a student of an educational institution shall commit ragging. Supreme Court of India has ordered that "if any incident of ragging comes to the notice of the authority, the concerned student shall be given liberty to explain and if his/her explanation is not found satisfactory, the authority would expel him/her from the institution".

Warning:

- No leniency will be shown to the offenders involved in ragging. All students are requested to note and co-operate in keeping our university and its constituent colleges free from ragging.
