

1. INTRODUCTION

1.1 Status of the University

Aliah University is an autonomous Institution of Higher Education under the Department of Minority Affairs and Madrasah Education, Government of West Bengal. It has started its glorious journey from the academic session 2008-09 with great potential and immense opportunities. It has been declared as a minority institution vide G.O. No. 1465-MD/07 dated 12.10.2007 by the Government of West Bengal and empowered to award degrees as specified by the UGC under Section 22 of UGC Act, 1956 vide letter No. F.9-29-2008(CPPP-1) dated 23.12.2008.

1.2 A Flashback to the Past

Mohammedan College of Calcutta, popularly known as Madrasah-i-Aliah or Calcutta Madrasah is the first educational institution set up in India in 1780 by Warren Hastings, the then Governor General of East India Company. Calcutta Madrasah was established chiefly for the study of the Arabic and Persian languages and Muslim Law so that the sons of the Muslim gentry could perform the duties as officers for running the revenue administration and judiciary. The Naib Nizam was instructed to recruit the students of the Madrasah as vacancies occurred in the Fauzdari Courts, on production of certificates of efficiency. However, within a decade Arithmetic, Algebra, Geometry, Astronomy, Islamic Theology, Oriental Studies, Natural Philosophy, Geological Studies, Law, Logic, Rhetoric, Grammar, and Oratory were added to the list of prescribed subjects for study. In 1821, the Annual Examination of the Madrasah was held in the presence of many respectable officials and academic luminaries of Calcutta. This was the first public examination held in British India. A medical class, headed by Dr. Peter Breton, Professor of Medicine, was started at this Madrasah in 1826 for the first time in British India. Dr. Breton was authorized to purchase a skeleton and collect medical books. An anatomical work published by John Taylor was arranged to be translated into Arabic. The medical class continued here till the establishment of Calcutta Medical College in 1836. However, the students of the Madrasah were allowed to study medicine at Calcutta Medical College. This speaks for the high standard of education at the Madrasah in those days. Also, the curricula taught at this institution were a blend of theological studies, natural sciences, and the humanities, as was done in the world-wide Madrasah system of education which produced the galaxy of scholars who made original contributions to astronomy, mathematics, chemistry, physics, medicine, geology, art & architecture, and so on. The authorities tried to introduce English as a subject for study in 1826. But, not many students were found willing to learn English, as Persian was still the medium of administration in India. But in 1837 the colonial government replaced Persian with English as the official language. So the Anglo-Arabic Department was opened at the Madrasah in 1839 for the teaching of English. At the recommendation of a Committee, again in 1854, this Anglo-Arabic Department was abolished and an English school, in the name of Anglo-Persian Department, was started under the direct control of the Principal of Calcutta Madrasah. The great reformist Nawab Abdul Latif (1828-1893), a product of Calcutta Madrasah, played an important role in the establishment of this Department so that Muslim children could receive the much-needed English education. After the Great Rebellion or the so-called 'Sepoy Mutiny' of 1857, the British rulers began to have a suspicious attitude to the Muslims. Questions were raised regarding the maintenance of Calcutta Madrasah at Government cost. There were proposals to abolish the Madrasah, at least the Arabic Department, retaining only the Anglo-Persian Department. However, in 1860, the Government of India, rejecting the idea of abolition, rather recommended improvement in its management. So the Madrasah continued to exist. In 1869, a Committee consisting of C.H. Campbell, Commissioner of the Presidency Division, I. Suitcliff, Principal of Presidency College, and Nawab Abdul Latif, then a Deputy Magistrate, was formed to inquire into the affairs of the Madrasah and suggest improvement. Some reforms were introduced at the Calcutta Madrasah according to the suggestions of this committee. Further reforms were introduced at the recommendations of the Education Commission headed by W.W. Hunter in 1884. Nawab Abdul Latif and Justice Syed Amir Ali played a very important role in these reforms. In 1896, Elliot Hostel was founded, with funds raised out of donations from the public, for the accommodation of the Madrasah students who so far had used the ground floor of the Madrasah as

their hostel. In 1902 the Muslim Institute was established as a part and parcel of Calcutta Madrasah. The Principal of the Madrasah was ex-officio President and Treasurer of the Muslim Institute. Several committees and commissions were appointed in 1915, 1923, 1931, 1938-40, and 1946 for the improvement in the syllabi, curricula, and all round development of Madrasah education in Bengal, particularly of Calcutta Madrasah.

Calcutta Madrasah was upgraded to Calcutta Madrasah College on 22nd February, 2006 and then to Aliah University by the Government of West Bengal through Aliah University Act XXVII of 2007 passed in West Bengal Legislative Assembly.

1.3 Present and Future of the University

In addition to the existing Kamil and M.M. courses in Islamic Theology and the 3-year Honours course in Arabic, Aliah University introduced Computer Science, 5-year integrated M.Sc in Geography, M.A. in English, 5-year integrated M.Sc. in Physics, Chemistry, Mathematics, Statistics, Geography, 4-year B.Tech. in Computer Science & Engineering, Electronics & Communication Engineering, Electrical Engineering, and Civil Engineering, 2-year M.A. in English and 2-year M.A/M.Sc. in Geography from 2009, and from the Academic Session 2010-11, it has introduced 4-year B.Tech. in Mechanical Engineering, 2-year M.A. in Bengali and History. From 2013-14 the University is starting a 2-year M.Sc. course in Mathematics, 2-year LLM, 2-year M.A Course in Urdu, Arabic and 2-year M.Tech in CEN,ECE,CSE,EEN,MEN.

The University has already started its Ph.D. Programme in different subjects since 2011-12 Session. More than Forty(40) Research Scholars have been pursuing their research. The University admits scholars through Aliah University Research Eligibility Test (AURET) usually twice a year.

The University, in collaboration with Techno India Group, introduced 5-year integrated programmes in Computer Science (M.Sc.), Computer Application (MCA), Business Administration (MBA) and also 2-year M.A./M.Sc. in Journalism & Mass Communication (MJMC) from the academic session 2008-09. From the Academic Session 2010-11, the 5-year integrated M.Sc. in Computer Science course is being conducted by the Dept. of Computer Science & Engineering of the University itself. From 2013-14 the MBA, MCA, and MJMC courses will be conducted by the respective departments of the University; however, the collaboration with Techno India Group will continue till the 2012-13 batches of students of these courses pass out.

Besides the old existing premises of erstwhile Calcutta Madrasah College at 21, Haji Md. Mohsin Square, Kolkata-700 016, which is mainly used to conduct the courses on Arabic and Islamic Theology, all other courses in Engineering, Science and Humanities run by the University are being held at Maulana Azad Bhawan at DD-45, Salt Lake, Sector-I, Kolkata-700 064, and four other buildings at EN-34 and DN-20, Sector-V, Salt Lake, Kolkata-700 091. The main administrative sections of the University are working from the address DN-18 (8th floor), Sector V, Salt Lake, Kolkata-700 091. The University is started to build a beautiful, sprawling, state-of-the-art campus of its own on a land admeasuring 20 acres at Newtown, Rajarhat, which has been allotted to it by the Government of West Bengal and hopefully we will shift there very soon. In the mean time, another campus of the University at 17, Gorachand Road (behind Lady Brabourne College), Park Circus, Kolkata consisting of one eleven-storied high riser is almost completed its construction.

1.4 Vision and Mission of the University

Aliah University is marching on with a vision to recapture the ambience and dynamic cultural heritage of the Madrasah system, to expand and deepen it, to evolve it further with a successful outreach into the emerging areas in each branch of modern science, technology, social studies, and humanities. It aims to instill the dynamism of its glorious heritage of the past among all its students, so that they can successfully cope with the critical needs and challenges of the present and contribute to the future advancement of science, technology, and human

civilization. It also hopes to develop in its students the love and respect for the fellow citizens of the country and to cherish the ideals of secularism and national integrity.

1.5 A Special Feature

The University being a minority institution and a part of the (primary-to-Ph.D.) Madrasah education system, and having a rich heritage of Islamic Culture, it is expected that all students of the University shall have some basic knowledge of Arabic and Islamic Studies. For that reason, the students of 4/5-year courses have to take four compulsory subjects, viz., Elementary Arabic-I, Elementary Arabic-II, Islamic Studies-I and Islamic Studies-II in the first four semesters of their curricula. Students of 2-year programmes, however, shall have to take one Elementary Course in Arabic and another in Islamic Studies in the first two semesters of their curricula. Students having already studied these subjects as part of their Secondary and Higher Secondary curricula will be offered suitable alternative subjects in lieu of them.

However, English being internationally accepted as a medium of communication and the University having a multilingual student-teacher community, medium of instruction followed in the University is English, except the language subjects like Arabic, Bengali, etc.

1.6 Motto of the University

The motto of the University is “Advancement of Education and Culture” in Arabic, “Taqdeem-ut-Ta’leem wa-asSaqafah.”

2. COURSES

Except 2-year M.Tech in CEN, ECE, CSE, EEN, MEN admissions to all other courses run by the University are made through Aliah University Admission Test (AUAT). The AUAT-2014 will be held in different courses as given below.

Course CODE	Courses Offered	Number of Intakes

7.5 Physical Fitness

All qualified candidates may be required to submit a Physical Fitness Certificate from a Registered Medical Practitioner in the prescribed format that will be made available to them at an appropriate time. They will be admitted only if they are physically fit for pursuing a course of study at Aliah University.

8. CENTRES OF AUAT-2014 WITH CODE NUMBERS

Possible Test Venues: AUAT-2014 for Course Code A 01, A 02, B 01 to B 03, C 01 to C 10 and D 01 to D 02 will be conducted only at a few strategically located towns in West Bengal as listed below.

City/Town	District	Centre Code	City/Town	District	Centre Code
Arambagh	Hooghly	01	Medinipur Town	Medinipur (W)	09
Berhampore	Murshidabad	02	Siliguri	Darjeeling	10
Burdwan	Bardhaman	03	Suri	Birbhum	11
Baruipur	24 Pgs (S)	04	Tamluk	Medinipur (E)	12
Bashirhat	24 Pgs (N)	05	Kolkata (N)	Kolkata	13
Bidhan Nagar	Dinajpur (N)	06	Kolkata (S)	Kolkata	14
Krishnanagar	Nadia	07	Kolkata (C)	Kolkata	15
Malda Town	Malda	08			

Option of a Candidate for a particular centre may or may not be allocated to that center. However, he/she will be allocated a nearby centre.

9. ADMIT CARD

Admit Cards for the examination will be sent by Register Post/Speed Post by 3rd week of April, 2014 only to those eligible candidates, who have submitted valid Application Forms, complete in all respects, on or before the last date of submission of the same.

Candidates apply for online, have to download and print their admit cards from the University website by logging in by putting their application form number after 10.04.2014. In that case no admit card will be send to the respective candidates.

The Admit Card will bear the Name, Photograph, Signature, Date of Birth, Address, and Category of the candidate along with Name and Address of the Examination Centre allocated. The candidate should carefully examine the Admit Card received by him/her for all the entries made therein. In case of any discrepancy, the candidate should inform the AUAT office immediately.

10. MERIT LIST

10.1 Ranking and Admission

A list of Successful candidates appearing different courses of AUAT–2014 will be displayed separately on the University website: www.aliah.ac.in on the basis of scores in the written test and academic qualification. A separate list of successful candidates will also be prepared for the Physically Challenged (PC) candidates. Admission to different courses will be made through counselling according to the rank in the merit list.

Note: There will be a common merit list for all B. Tech, Integrated MSc in Comp. Sc. and MCA courses. Successful Candidates have to appear for Counselling at stipulated date and time and they will be offered their desired course (B. Tech or MCA or MSc in Comp. Sc.) according to their rank in the merit list. Similarly, there will be a common merit list for all 5-year Integrated M.Sc. Course (Except MCA and MSc in Comp. Sc.). Successful Candidates have to appear for Counselling at stipulated date and time and they will be offered their desired course. All the 2 year MA/MSc course, and 5 year Integrated MA (English, Geography), MBA course, separate merit list for each course will be published.

10.2 Verification of Identity and Counselling

The main purpose of asking the qualified candidates to appear in person for the counselling is to verify their identity and to allot them to various courses. Hence the candidates must bring their Admit Cards and various other documents for verification of their identity of Age, Marks-sheet of Qualifying Examination, and Category (for PC), all in original with one attested photocopies of each. On failing to establish the authenticity of any of the above documents, the candidate will not be considered and requisite admission fees as verified in the University website www.aliah.ac.in.

11. PERFORMANCE IN AUAT-2014

The machine gradable Optical Response Sheets (ORS) are graded and scrutinized with extreme care. There is no provision for re-totalling. No photocopies of the Machine Gradable Sheets will be made available.

12. OTHER INFORMATION RELATED TO APPLICATION FORM
