

**DEPARTMENT OF BUSINESS ADMINISTRATION,
NATIONAL INSTITUTE OF TECHNOLOGY KURUKSHETRA**

**ADMISSION HANDBOOK
2014**

ADMISSION PROCEDURE

What we are looking for:

The gap between the finishing line at a B-school and entry to a management position is more wide now than ever. The problem is only compounding with institutions mushrooming all around. We have a different approach as you would learn during your stay at NITK .

It is life skills that we focus on.

We need thought-leaders driven by passion and determination, backed by intellectual abilities, who are independent, authentic and immensely creative, whose imagination is not a slave to fear of failures.

If you can re-engineer the solutions to conventional problems and think out of the box, yet be humble and uphold your integrity you probably fit the bill best!

In short, a candidate who is good might not impress us ;

We are looking for excellence and perfection!

You would get sufficient opportunities at NITK if your personal characteristics suggest that you would be able to extract the very best from the system, both in academics and extra-curricular and should your presence enhance the experience for those around, then you are definitely in.
