UNDERGRADUATE DEGREE PROGRAMS

I. INTRODUCTION

Tamil Nadu Agricultural University (TNAU) rated as the best Agricultural University in India by Indian Council of Agricultural Research, New Delhi is an institute of excellence for higher education in Agricultural and allied subjects.

The TNAU had begun as an Agricultural School at Saidapet in Chennai in 1876 and blossomed as a College in Coimbatore, during 1906. In 1920, the college was affiliated to the University of Madras with the introduction of a three-year degree program. Till 1946, the Agricultural College and Research Institute, Coimbatore was the only institute for agricultural education for the whole of South India. In 1958, it was recognized as a Postgraduate Centre offering Masters and Doctoral degrees. The Agricultural College and Research Institute, Madurai was established in 1965. These two colleges formed the nucleus of the Tamil Nadu Agricultural University, when it was established in 1971 offering four year B. Sc. (Agri.) degree program.

In the year 1972, the degree programs B. Sc. (Horticulture) and B. E. (Agriculture) were started. In furtherance, in 1979, the faculty of Horticulture was established. To nurture the home grown innovations, in 1980, B. Sc. (Home Science) was started at Madurai campus. The third Agricultural College was started at Killikulam in 1984 and the fourth at Navalur Kuttappattu, Tiruchirappalli in 1989. B.Sc. (Forestry) program was started during 1985.

B. Sc. (Horticulture) and B. Tech. (Agricultural Engineering) degree programs are being offered at Horticultural College and Research Institute, Periyakulam and Agricultural Engineering College and Research Institute, Kumulur, respectively. A new Horticultural College and Research Institute for Women at Navalur Kuttappattu, Tiruchirappalli, offering B. Sc. (Horticulture) was established during 2011. The Forest College and Research Institute at Mettupalayam is offering B. Sc. (Forestry) program. A unique programme B. Sc. (Sericulture) was started during 2011 and is being offered at Agricultural College and Research Institute, Coimbatore.

In the backdrop of changing agricultural situation and developments in science and technology, TNAU introduced unique technology programs viz., B. Tech. (Food Process Engineering) during 1998-1999, B. Tech. (Biotechnology) and B. Tech. (Horticulture) during 2002-2003, B. Tech. (Energy and Environmental Engineering) during 2004-2005 and B. Tech. (Bioinformatics) during 2006-2007. Owing to the developments in agricultural and information sciences and to capitalize on these potentialities, two courses, viz., B. S. (Agribusiness Management) and B. Tech. (Agricultural Information Technology) were started during 2007-2008.

At present, TNAU is offering the following 13 Undergraduate degree programs of four year duration (eight semesters).

Payment of first year fee by the candidates admitted under TNAU counseling quota in the private affiliated colleges

The candidates admitted during counseling under TNAU quota (50%) in private affiliated colleges should pay the first year fee as prescribed by Tamil Nadu Government at TNAU on the date specified in the admission allotment letter. Private affiliated colleges are not permitted to collect the first year fee or any other fee from the newly admitted candidates. From second year onwards the private affiliated colleges shall collect fees from the students.

C. Refund of Fees:

Semester fees for the newly admitted candidates are collected only on opening of Colleges and Registration of Courses. Hence, **semester fees paid**, except caution money deposit, **are not refundable**. Caution money deposit paid is refundable when discontinued from Tamil Nadu Agricultural University or after the completion of the degree program. Counseling fee once paid is not refundable.

VIII. SCHOLARSHIPS

Fee concessions and scholarships such as Adi Dravida welfare scholarships, Central Government scholarships, State Government free education for student from non-graduate family, Periyar Endowment scholarships and fellowships and scholarships from the Indian Council of Agricultural Research, New Delhi and other agencies are available for the benefit of deserving enrolled candidates. These may vary according to the degree / college to which candidates are admitted and respective funding agencies.

IX FACILITIES

- Separate hostels for men and women are available in each campus with WiFi Internet connectivity.
- Students run messes on a dividing system basis.
- All students are expected to reside in the hostel attached to the respective colleges. In exceptional cases, the Dean is empowered to permit students to be day scholars.
- A Students' Centre with canteen is available in each campus to provide stationeries and essential items.
- Infrastructure facilities exist in all colleges for extra-curricular activities.
- Library and sports facilities are available in all campuses.

X. Reporting to Admitted Colleges

Newly admitted students should report to the allotted college selected by them at counseling as per the date and time of registration of courses given in the college commencement letter, failing which their admission will be cancelled. No exemption or permission will be entertained in this regard.

XI. DISPUTE REDRESSAL

With regard to the interpretation of the provisions of any matter not covered in this information brochure, the decision of the University shall be final and binding on all the parties concerned.

Any complaints, grievances *etc.*, related to UG admissions and academic matters must be first referred to the Dean, Agricultural College and Research Institute, Coimbatore who will be the appellate authority with respect to such complaints /disputes. The Courts having their jurisdiction at Coimbatore alone can adjudicate on all matters and disputes related to U.G. admissions and academic matters.
