CENTRAL SECTION

Government Notification and Appointment etc.

GUJARAT PUBLIC SERVICE COMMISSION

NOTIFICATION

26th November, 2013

No:- CCE-103/11-12-Main-CNF

1. The result of the Competitive Examination (Main) for Commercial Tax Inspector, Class-III, (Advertisement No. 103/2011-12)- held on 2nd and 3rd March-2013, is hereby declared as annexed Part-I and Part-II.
2. The above result is declared taking into consideration the provisions of the **Commercial Tax Inspector, Class-III, Competitive Examination Rules, 2011** as amended from time to time, and the following Judgements of the Hon'ble Supreme Court:
 - (A)
 - (i) Rajesh Kumar Daria V/s. Rajasthan Public Service Commission, - Civil Appeal Nos. 3132 of 2007, 3773 of 2007 decided on 18-07-2007.
 - (ii) Public Service Commission, Uttaranchal V/s. Mamta Bist & Others, - Civil Appeal Nos. 5987 of 2007, with Civil Appeal No.5982 of 2007 decided on 03-06-2010.
 - (B) The Reserved Category Candidates (SC / ST / SEBC), who get either equal or more than minimum marks fixed as qualifying standard for general candidates, and have not availed of any relaxation in age, qualifying standard etc. were recommended against unreserved posts, as per the Government circular, G.A.D. No. PVS- 1099-MM-I3-G4 dated 29-01- 2000 and PVS-102003-900-G4, dated 23-07-2004.
 - (C) The Reserved Category Candidates (SC / ST / SEBC) who had secured their place in the Merit List of General category, but had availed the benefit of relaxation for the respective reserved category, had been selected as Reserved Category candidates for the respective category.
 - (D) In case of equal marks, the merit was assigned taking into consideration the date of birth (i.e. preference is given to the elder). Where the dates of birth were also equal, the merit was assigned on the basis of the marks obtained in paper –III (General Studies). Where the marks also equal in paper-III (General Studies) the merit was assigned on the basis of the marks obtained in paper –I (Gujarati).

3. In paragraph No,-5 of the Judgement delivered in the case of Rajesh Kumar Daria V/s. Rajasthan Public Service Commission, (Dated:18-07-2007), the Hon'ble Supreme Court has laid down the following principles:

"Before Examining whether the reservation provision relating to Women, had been correctly applied, it will be advantageous to refer to the nature of horizontal reservation and the manner of its application, In Indra Sawhney V/s. Union of India (1992 SUPP.(3)SCC 217), the principle of horizontal reservation was explained thus (Pr,812):

"all reservations are not of the same nature. There are two types of reservation, which may, for the sake of convenience, be referred to as 'vertical reservations' and 'horizontal reservation'. The reservation in favour of Scheduled Castes, Scheduled Tribes and Other Backward Classes (under Article: 16(4) may be called vertical reservation, whereas reservations in favour of physically handicapped (under Clauses (1) of Article 16) can be referred to as horizontal reservations. Horizontal reservation cut across the vertical reservations - what is called interlocking reservations. To be more precise suppose 3% of the vacancies are reserved in favour of physically handicapped persons; this would be a reservation relatable to clause (1) of Article 16. The persons selected against the quota will be placed in that quota by making necessary adjustments; similarly, if he belongs to open competition (OC) category, he will be placed in that category by making necessary adjustments. Even after providing for these horizontal reservations, the percentage of reservation in favour of backward class of citizens remains - and should remain - the same.'

A special provision for women made under Article 15(3), in respect of employment, is a special reservation as contrasted from the social reservation under Article 16(4). The method of implementing special reservation, which is a horizontal reservation, cutting across vertical reservation, was explained by this Court in Anil Kumar Gupta V/s. State of U. P. (1995(5) SCC 173) thus:

'The proper and correct course is to first fill up the Open Competition quota (50%) On the basis of merit; then fill up each of the social reservation quotas, i.e. S.C., S.T. and B.C.; the third step would be to find out how many candidates belonging to special reservation have been selected on the above basis. If the quota fixed for horizontal reservations is already satisfied - in case it is an overall horizontal reservation - no further question arises. But if it is not so satisfied, the requisite number of special reservation candidate shall have to be taken and adjusted / accommodated against their respective social reservation categories by deleting the corresponding number of candidates therefrom. (If, however, it is a case of compartmentalized horizontal reservation, then the process of verification and adjustment / accommodation as stated above should be applied separately to each of the vertical reservations. In such a case the reservation of 15% in favour of special categories, overall, may be satisfied or may not be satisfied.) {Emphasis supplied}'

4. In paragraph No,-13 of the Judgement dated: 03-06-2010 delivered in the case of Public Service Commission, Uttaranchal Vis. Mamta Bist and Others, the Hon'ble Supreme Court has laid down the following principles:

"13. The view taken by the High Court on application of horizontal reservation is contrary to the law laid down by this Court in Raiesh Kumar Daria V/s. Rajasthan Public Service Commission and others. AIR 2007 SC 3127, wherein dealing with a similar issue this Court held as under:

"9. The second relates to the difference between the nature of vertical reservation and horizontal reservation. Social reservations in favour of SC, ST and OBC under Article 16(4) are "vertical reservations". Special reservations in favour of physically handicapped, women, etc., under Articles 16(1) of 15(3) are "horizontal reservations". Where a vertical reservation is made in favour of a Backward Class under Article 16(4), the candidates belonging to such Backward Class may compete for non-reserved posts and if they are appointed to the non-reserved posts on their own merit, their number will not be counted against the quota reserved for respective Backward Class. Therefore, if the number of SC candidates, who by their own merit, get selected to open competition vacancies, equals or even exceeds the percentage of posts reserved for SC candidates, it cannot be said that the reservation quota for SCs has been filled. The entire reservation quota will be intact and available in addition to those selected under open competition category. (Vide Indra Sawhney, R.K. Sabharwal V/s. State of Punjab, Union of India V/s. Virpal Singh Chauhan and Ritesh R. Sah V/s. Dr. Y.L. Yamul) But the aforesaid principle applicable to vertical (social) reservations will not apply to horizontal (special) reservations. Whereas special reservation for women is provided within the social reservation for Scheduled Castes, the proper procedure is first to fill up the quota for Scheduled Castes in order of merit and then find out the number of candidates among them who belong to the, special reservation group of "Scheduled Caste women". If the number of women in such list is equal to or more than the number of special reservation quota, then there is no need for further selection towards the special reservation quota. Only if there is any shortfall, the requisite number of Scheduled Caste women shall have to be taken by deleting the corresponding number of candidates from the bottom of the list relating to Scheduled Castes. To this extent Horizontal (special) reservation differs from vertical (social) reservation. Thus women selected on merit within the vertical reservation quota will be counted against the horizontal reservation for women." (Emphasis added)

5. In view of the above referred Judgements of the Hon'ble Supreme Court, the settled legal position appears to be that the women reservation is interlocutory within each category (SC / ST / SEBC / GENERAL) and the same is horizontal (Special) reservation, and not vertical (Social) reservation and that therefore, the women candidates selected as merit candidates will count towards women reservation quota for each category (i.e. SC / ST / SEBC / GENERAL). Under the circumstances, where a horizontal (Special) reservation is provided for women within each category SC / ST / SEBC / GENERAL, the proper procedure is first to fill up the quota for each category (SC / ST / SEBC / GENERAL) in order of merit and then find out the number of candidates among them who belong to the Special reservation group of " SC / ST / SEBC / GENERAL - Women". If the Women in such list are equal to or more than the number of special reservation quota, then in that case, there is no need for further selection towards the special reservation quota. Only if there is any shortfall, the requisite number of "SC / ST / SEBC / GENERAL - Women" shall have to be taken by deleting the corresponding number of candidates from the bottom of the list of SC / ST / SEBC / GENERAL candidates. To this extent, horizontal (Special) reservation differs from Vertical (Social) reservation. Thus, Women selected on merit within SC / ST / SEBC / GENERAL quota will be counted against the horizontal reservation for women.
6. The following details are relevant in respect of certain candidates who are treated as ineligible for the examination for one reason or the other, the brief details of which are given below :-
 - (i) All the candidates who had applied online for the Preliminary Examination were allowed to appear for the Preliminary Examination without any scrutiny of the details given in the online applications. The candidates who were declared successful in the Preliminary Examination and

were to be allowed to appear for the Main Examination were asked to send the application forms for the Main Examination along-with all the requisite / stipulated documents / certificates. Such candidates were allowed to appear at the Main Examination subject to the verification of the documents / certificates sent by them along with the application forms for the Main Examination. There were 102 candidates who had sought to get the benefit of 5 % marks on the basis of the Sports Certificates / Sports details. But they had not sent the Sports Certificates / Sports details in the prescribed format and, therefore, they were asked to send the Sports Certificates / Sports details in the prescribed format. On scrutiny of the replies sent by these 102 candidates, it was found that the Sports Certificates / Sports details sent by the 13 candidates, who remained present in Main Examination, were in order, whereas the Sports Certificates / Sports details sent by the remaining candidates were either not in conformity with the norms prescribed by the Government, or some of them had inadvertently tick-marked against the Sports column in the online application. Thus, the additional 5% marks given to these remaining candidates in the Preliminary Examination were required to be deducted from their marks of the Preliminary Examination. While doing so, 17 of these remaining candidates secured the minimum cut off marks prescribed for the respective category of candidates to be eligible to appear for the Main Examination. Thus, 17 candidates became ineligible to appear for the Main Examination and therefore they have to be declared as unsuccessful in the Preliminary Examination for which separate orders are being issued by the Commission.

(ii) All the candidates who had applied online for the Preliminary Examination were allowed to appear at the Preliminary Examination without any scrutiny of the details given in the online applications. The candidates who were declared successful in the Preliminary Examination and were to be allowed to appear for the Main Examination were asked to send the application forms for the Main Examination along-with all the requisite / stipulated documents / certificates. All the candidates who were declared eligible to appear at the Main Examination on the basis of the result of the Preliminary Examination were allowed to appear for the Main Examination subject to the verification of the certificates / documents submitted with the application forms for the Main Examination.

While scrutinizing the documents / certificates sent by the candidates, it was found that some of the candidates had not provided the requisite certificates / documents. They were asked to send the necessary documents / certificates, but they did not send the same. One more chance was given to them to send the certificates / documents, but some of them have not produced the requisite documents, such as S.S.C. Examination Certificate (for verification of date of birth), Non Creamy Layer certificate, Physically Disabled Certificate, Caste Certificate, application forms for Main Examination etc. Some of these candidates are over-aged, whereas some of the candidates do not possess the requisite educational qualifications. As such, the candidature of such candidates for the Main Examination has been treated to have been cancelled by the Commission. The numbers of such candidates are 43, in whose respect necessary orders for cancellation of candidature are being issued by the Commission separately.
