

Dream Big & Win Big

We know you've been caught daydreaming in class. But, that's okay. Because, we believe in daydreaming. We believe in you. We also believe in rewarding you for your dreams.

So, start dreaming. Dream about change. Dream about solutions. Dream about how you can make the world a better place.

Maybe, dream about a pen that records whatever you write.

Maybe, a wrist-watch that helps you do your homework.

Maybe, something that makes your school-bag a little lighter.

Maybe, an idea that can change our society.

Think about the problems we face today. Think about the problems we might face tomorrow. Dream about how we can solve them.

Be innovative. Be incredible. Take the road not taken.

Wait!

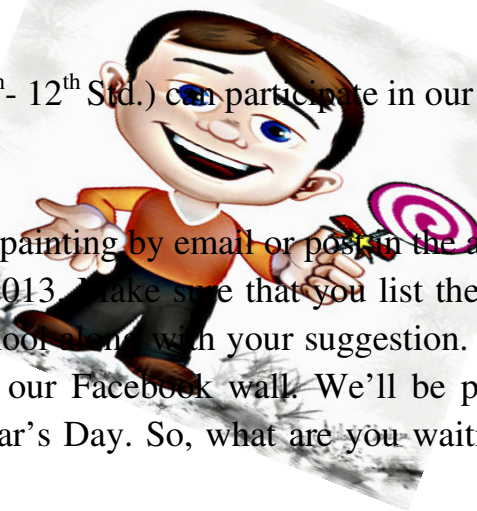

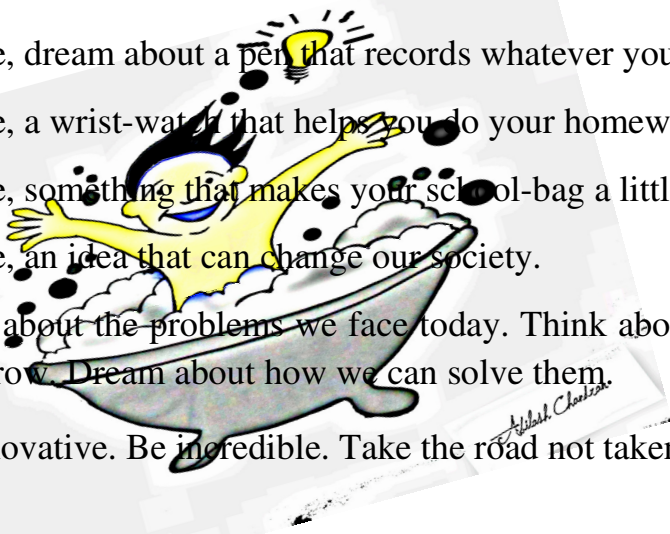

You don't have to do all this for nothing. We are giving away awesome gifts to students who come up with the most creative, practical ideas. Also, we'll forward those ideas to various national/international competitions for further recognition. Not a bad deal, right?

Anyone from 5 to 17 years of age (1th- 12th Std.) can participate in our talent-hunt.

This is all you need to do.

Send us your ideas in writing or as a painting by email or post on the address we've listed below on or before 15th Dec 2013. Make sure that you list the full address, phone number and email of your school along with your suggestion. You can also feel free to post your idea right on our Facebook wall. We'll be publishing the result of our talent-hunt on New Year's Day. So, what are you waiting for? Start dreaming!
